Exhibits

The Makery

With a focus on STEAM (science, technology, engineering, arts and math) learning, visitors of all ages craft with real materials, tinker with real tools and explore new technologies as they create a wealth of creative projects.

Farm to Fork

Visitors learn about organic gardening and healthy lifestyles in this dramatic play area celebrating local food and the farm to fork cycle.

Forest Theater

This mini performance space encourages creative dramatics and expression, using S.T.E.A.M principles to bring theatrical ideas to life.

Exhibits

Flexible Forest

Includes a Tree House, Crow's Nest, large-scale climbing wall, pulleys, levers, and talking tubes, and a Discovery Den below offering nature-based exploratory play for younger visitors.

The Front Yard: Outdoor Learning Garden

Growing gardeners can get their hands dirty in our raised beds as they plant, tend and care for our pollinator plots!

The New Kidzu!

Kidzu is excited to unveil plans for our permanent home!

Our new large-scale facility will feature:

- larger indoor & outdoor learning environments
- more programming for kids of all ages, infants to teens
- spaces for community gatherings
- areas free to the public year-round
