### **KIDZU HOSTS GINGERBREAD WORKSHOPS FOR HOLIDAY FAMILY FUN**

CHAPEL HILL, N.C. – Kidzu Children's Museum is hosting three gingerbread house workshops, at 1 p.m. and 3 p.m. Saturday, Dec. 15, and 4 p.m. Wednesday, Dec. 19. Located at Kidzu's University Place mall facility, the workshops will give local families the chance to create fun holiday memories and a gingerbread masterpiece to take home and enjoy.

Deanna Patrick, programs manager at Kidzu, said, "I'm so excited to see what kind of confections these kids create with their families! At Kidzu, we love developing programs like this that give families easy, affordable opportunities to spend quality time together, while also stimulating their child's creativity."

Geared to families with children ages 4 and older, participants will receive a gingerbread house along with royal icing and tasty toppings to decorate with. Each gingerbread house costs \$25 with the ticket price of one child included, and \$5 for each additional sibling with a maximum of two additional siblings per house. A hot chocolate bar is included with the price of registration. Interested families are encouraged to register soon as space is limited and often sells out quickly.

Established in 2013, Kidzu Children's Museum is a hands-on museum dedicated to inspiring young children and the adults in their lives to learn through purposeful play.
